No 544P

Dated 12th May 1902

Sir,

With reference to your docket No.16621/L.B.(P) 1705 dated 11th April 1902, I have the honor to state in reply, that the Hospital Assistant's case should be treated similarly to that of the Medical Officers and Subordinates at the Plague Camps of Bangalore and Mysore, as his duties are more onerous than either of the above.

When I was there in the early part of April he had over 70 cases of small pox to treat daily, besides some 12 cases of plague and now he has 45 cases of Small-pox and Plague under treatment.

He is, I consider, most deserving of an allowance whether it be called Plague allowance or Gold Fields allowance.
